Number of victims receiving shelter services:

- 21,547 victims and 20,043 family members received a total of 798,960 emergency shelter bed days.
- 1,030 victims and 2,915 family members received a total of 174,742 transitional housing bed days.

Protective orders:

- Of the protective orders for which victim services staff provided assistance, 133,173 were granted.

⁶ Victims may have been abused by more than one offender and/or may have experienced more than one type of victimization, so the total for each victimization category may be higher than the total number of victims served in each of those categories. Percentages are based on the total number of known relationships in each victimization category.

Criminal Justice
