

Safe Havens: Supervised Visitation and Safe Exchange Grant Program (Supervised Visitation Program)^{1,2}

The Supervised Visitation Program provides an opportunity for communities to support the supervised visitation and safe exchanges of children – by and between parents – in situations involving domestic violence, sexual assault, dating violence, child abuse, or stalking. This program funds jurisdictions which have implemented, or plan to implement, innovative programs to increase supervised visitation and exchange options for families with a history of domestic violence, sexual assault, dating violence, child abuse, or stalking.

Number of grantees reporting	55
------------------------------	----

Services: Supervised Visitation Program grantees provided supervised visitation and safe exchange services to **1,836** families.

Number of grantees providing services to families: **50** (91% of all grantees reporting)³

¹ This report contains selected data submitted by Supervised Visitation Program grantees on a semi-annual progress report.

² Throughout this document, the sum of percentages may not equal 100 due to rounding.

³ The Supervised Visitation Program also funds planning grants which do not provide direct services.

⁴ Percentages are based on families seeking services.

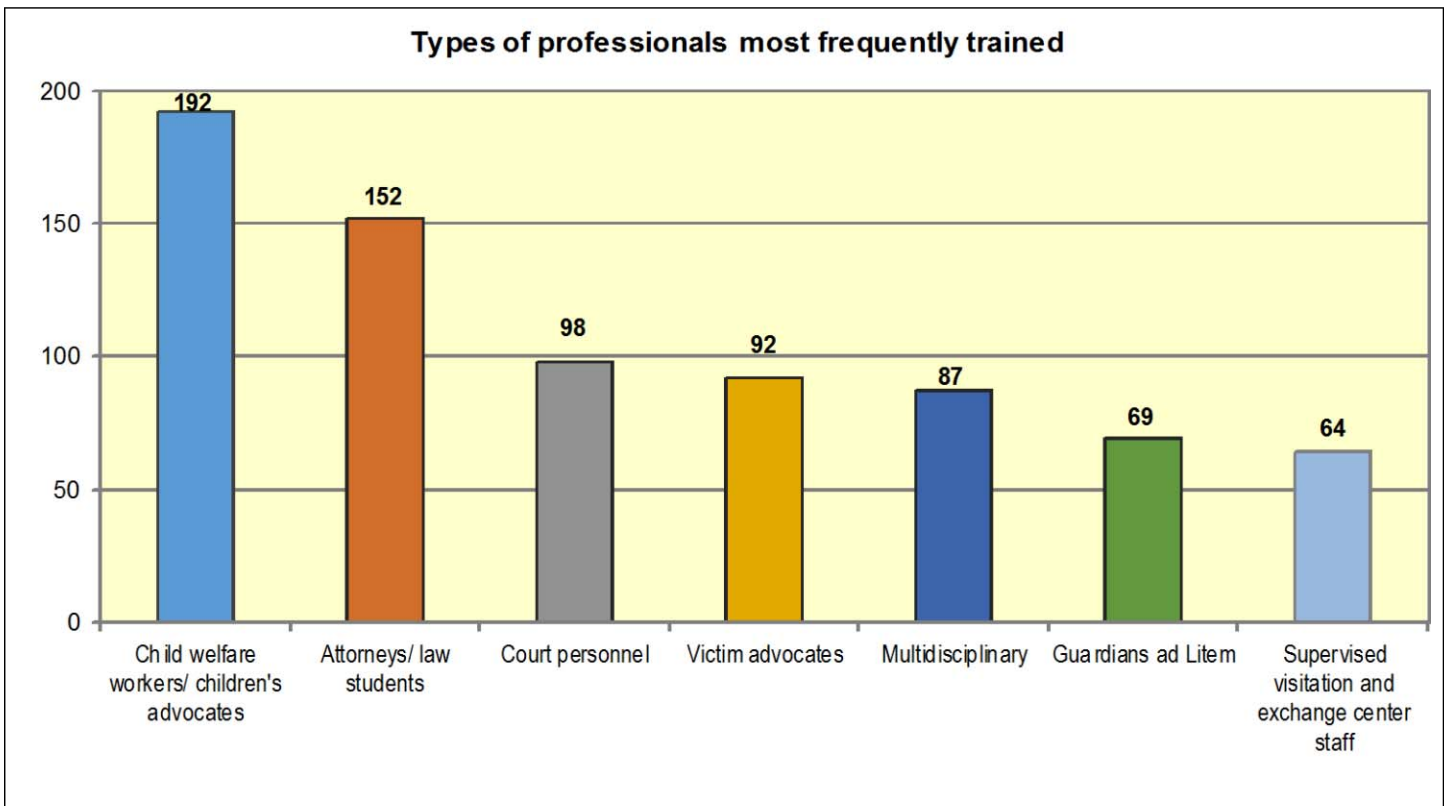

Types of Services: Supervised Visitation Program grantees provide an array of services to families with a history of sexual assault, domestic violence, dating violence, stalking, or child abuse. These services include: one-to-one supervised visits, group supervised visits, and supervised exchanges.

Services provided		
Type of service	Number of families	Number of times services provided
One-to-one supervision	1,285	12,746
Supervised exchange	539	9,623
Group supervision	60	460

- ◆ Number of safety and security problems: **65**
- ◆ Number of families completing services (completed treatment program, mutual agreement, change in court order): **279**

Training and Staff Development: Supervised Visitation Program grantees train professionals to improve the response to children and families with a history of sexual assault, domestic violence, dating violence, stalking, or child abuse.

Number of grantees using funds for training and/or staff development: **43** (78% of all grantees reporting)
 Total number of people trained: **1,052**
 Number of training events: **115**

Topics on which grantees most frequently provided training

Training topic	Number of grantees training on this topic	Training topic	Number of grantees training on this topic
Supervised visitation and exchange (Domestic violence, dating violence, sexual assault, and child abuse)	28	Safety planning	18
Supervised visitation and exchange (Justice system)	24	Dynamics relating to non-offending parents and offending parents	17
Domestic violence overview, dynamics, and services	22	Coordinated community response	16
Collaboration	21	Confidentiality	14
Resources for families	19	Parenting issues	14

Staff: Supervised Visitation Program staff provide supervised visitation and safe exchange of children, develop community advocacy committees, and establish statewide training and technical assistance projects to increase supervised visitation and safe exchange options.

Number of grantees using funds for staff: **53** (96% of all grantees reporting)

Total number of full time equivalent staff funded⁵	126
Supervision staff for visitation and exchange (43% of all staff funded)	54
Program/center coordinator (27%)	34
Administrator (13%)	16
Security (10%)	13
Victim advocate (4%)	5
Support staff (3%)	4
Translator/interpreter (1%)	1

⁵ Categories are rounded to the nearest whole number and only categories with at least one FTE after rounding are included.
