

If you have information about the dispositions of sexual assault, domestic violence, dating violence, and stalking offenses that occurred in Indian country and were referred to local, state, or federal law enforcement or prosecutors, please report that information here. If available, include information on dispositions and whether the offenders and victims were tribal members.

*EXAMPLE: Thirty domestic violence cases in which tribal women were abused by non-tribal men were referred to local law enforcement. Of those cases, three were referred to the prosecutor and none resulted in convictions. Five sexual assault cases were referred to the federal prosecutor. Three cases were tribal women assaulted by non-tribal men; two were tribal women assaulted by tribal men. Both tribal men and one non-tribal man were prosecuted. Only the tribal man was convicted.*

76. Provide additional information regarding the effectiveness of your grant-funded program.

If you have any other data or information that you have not already reported in answers to previous questions that demonstrate the effectiveness of your Tribal Governments Program grant, please provide it below. If you have not already done so elsewhere on this form, feel free to discuss any of the following: institutionalization of staff positions, policies and/or protocols, systems-level changes, community collaboration, the removal or reduction of barriers and challenges for victims/survivors, utilization of volunteers and/or interns to complete activities, promising practices, and positive or negative unintended consequences.

*EXAMPLE: Our Tribal Governments Program-funded victim advocate served on a task force examining ways the criminal justice system could be more responsive to American Indian victims/survivors of sexual assault. As a result, a Sexual Assault Response Team was implemented on the reservation with protocols for forensic exams with a local hospital.*

77. Provide any additional information that may provide explanation about the data submitted.

If you have any information that could be helpful in understanding the data you have submitted in this report, please answer this question. For example, if you submitted two different progress reports for the same reporting period, you may explain how the data was apportioned to each report; or if you funded staff--e.g., victim advocates, law enforcement officers, etc.-- but did not report any corresponding victim services or law enforcement activities, you may explain why; or if you did not use program funds to support either staff or activities during the reporting period, please explain how program funds were used, if you have not already done so.
