The purpose of the Transitional Housing Assistance Grant Program is to support programs that provide assistance to individuals who are homeless or in need of transitional housing or other housing assistance as a result of fleeing a situation of domestic violence, dating violence, sexual assault, or stalking, and for whom emergency shelter services or other crisis intervention services are unavailable or insufficient.

**Total number of grantees reporting**

152

**Program Description:** Transitional Housing Program grantees provide housing units, which include program-owned units, program-rented units, and units paid for with voucher or rental assistance.

Total number of grantees using funds for housing units: **114** (75% of all grantees reporting)

---

1. Individual housing units located throughout the community or service area
2. Multiple housing units located in one building or in a complex
**Victim Services:** Transitional Housing Program grantees provided services to more than 3,200 victims of domestic violence, dating violence, sexual assault, and stalking and nearly 4,400 children and 69 other dependents to help them become and remain safe from violence.

Total number of grantees using funds for victim services: 146 (96% of all grantees)

**Victim Services and Demographics:** Transitional Housing Program grantees provided an array of support services designed to enable victims, who are fleeing domestic violence, dating violence, sexual assault, or stalking, to locate and secure permanent housing and integrate into a community by providing those individuals with services such as transportation, counseling, child care services, case management, employment counseling, and other assistance. Safety planning, referrals, and information are provided to victims as needed.
