

The purpose of the Youth Services Program is to design and implement programs and services using sexual assault, domestic violence, dating violence, and stalking intervention models to respond to the needs of youth who are victims of such crimes. Grantees provide direct counseling, advocacy, legal advocacy, and mental health services for youth victims of sexual assault, domestic violence, dating violence, and stalking, as well as linguistically, culturally, or community relevant services for underserved populations.

<sup>3</sup> Percentages are based on victims/survivors receiving services for whom this information was known.

<sup>4</sup> Some victims/survivors may identify with more than one race/ethnicity, so the total number reported in race/ethnicity may be higher than the total number of victims/survivors served.

<sup>5</sup> Victims/survivors may have been abused by more than one offender, so the total (when unknowns are included) may be higher than the total number of victims/survivors reported as served. Percentages presented here are based on the total number of known relationships in each victimization category.
