## FAQs Related to Training

**Q: Why does question 13 asks us to report on four half-day and two full-day mandatory training events, when that is not a requirement of our grant award?**

**A:** The requirements for this grant have changed, however the form has not changed. Report the one required full-day training in the “two full-day” training field. Please contact your OVW grant specialist to discuss your grant’s mandatory training events if you’re unclear of the expectations for reporting.

**Q: Do we report students as trained professionals?**

**A:** If the students are considered pre-professionals trained, please report them in the categories that reflect the profession the students are going into. If the students are not trained as pre-professionals, the students should not be reported in the Training Section.

## FAQs Related to Victim Services

**Q: What is the difference between services reported in Civil Legal Advocacy and Civil Legal Assistance in question 30A?**

**A:** Services provided by a grant-funded attorney or a grant-funded paralegal are reported in Civil Legal Assistance in q.30A. Any other legal advocacy services provided by a grant-funded staff member are reported as Civil Legal Advocacy in q.30A.
