SEMI-ANNUAL PROGRESS REPORT FOR

Grants to Reduce Domestic Violence, Dating Violence, Sexual Assault, and Stalking on Campus Program

Brief Instructions: This form must be completed for each Grants to Reduce Domestic Violence, Dating Violence, Sexual Assault, and Stalking on Campus Program (Campus Program) grant received. A grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators or coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer, based on the activities engaged in under this grant during the current reporting period. Sections B, E, and F of this form must be completed by all grantees. In section A, subsection A1 must be answered. In section C, subsection C1 must be answered. In section D and subsections A2 and C2-C7, grantees must answer an initial question about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that section or subsection. If the response is no, the grantee may be asked to explain, and the rest of that section or subsection is skipped.

For example, 1) if you are a Campus Program grantee providing training and victim services with staff funded under this grant, you should complete A1, A2, B, C1, C3, D, E, and F (and answer "no" in C2 and C4-C7), or 2) if you are a Campus Program grantee providing training with staff funded under this grant, you should complete A1, A2, B, C1, C3, E, and F (and answer "no" in C2, C4-C7, and D).

The activities of volunteers or interns should be reported if they were coordinated or supervised by Campus Program-funded staff or if Campus Program funds substantially supported their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples illustrating how questions should be answered.

NARRATIVE

All grantees must answer question 54. (If the grant funds a consortium or flagship project, responses to this question should reflect the aggregated responses of project members.)

54. Report on the status of your Campus Program grant goals and objectives as of the end of the current reporting period.

(Report succinctly on the status of the goals and objectives for your grant as of the end of the current reporting period, as they were identified in your grant proposal or as they have been added or revised. Indicate whether the activities related to your objectives for the current reporting period have been completed, are in progress, are delayed, or have been revised. Comment briefly on your successes and challenges, and provide any additional explanation you feel is necessary for us to understand what you have or have not accomplished relative to your goals and objectives. If you have not accomplished objectives that should have been accomplished during the current reporting period, you must provide an explanation.)

All grantees must answer questions 55 and 56 on an annual basis. Submit this information on the January to June reporting form only. (If the grant funds a consortium or flagship project, responses to these questions should reflect the aggregated responses of project members.)

Please limit your response to the space provided (8,000 characters, approximately two pages of continuous single-spaced text) for each question.

55. What do you see as the most significant areas of remaining need, with regard to improving services to victims/survivors of sexual assault, domestic violence, dating violence, and stalking, increasing victims/survivors safety, and enhancing community response (including offender accountability for both batterers and sex offenders)?

(Consider underserved populations, campus-community collaborations, judicial/disciplinary board response, student safety, challenges implementing prevention and education programs across campus, and/or challenges and barriers unique to your institution or service area.)

56. What has Campus Program funding allowed you to do that you could not do prior to receiving this funding?

(For example, the money allowed us to make capital improvements; install data collection or communication systems; revise judicial/disciplinary board procedures; create and implement prevention and education programs; and train campus administrators, judicial/disciplinary board members, and security personnel.)

Questions 57 and 58 are optional.

Please limit your response to the space provided (8,000 characters, approximately two pages of continuous single-spaced text) for each question.

57. Provide additional information that you would like us to know about your Campus Program and/or the effectiveness of your grant.

(If you have any other data or information that you have not already reported in answer(s) to previous questions that demonstrate the effectiveness of your Campus Program grant, please provide it below. Refer to separate instructions for a more detailed explanation and example. Feel free to discuss any of the following: institutionalization of staff positions, policies, and/or protocols; systems-level changes; community collaboration; results of pre-tests and post-tests; the removal or reduction of barriers and challenges for victims/survivors; utilization of volunteers and/or interns to complete activities; promising practices; and positive or negative unintended consequences.)

**58. Provide any additional information that you would like us to know about the data submitted.**

(If you have any information that could be helpful in understanding the data you have submitted in this report, please answer this question. For example, if you submitted two different progress reports for the same reporting period, you may explain how the data was apportioned to each report; or if you funded staff—e.g., victim advocates—but did not report any corresponding victim services, you may explain why; or if you did not use program funds to support either staff or activities during the reporting period, please explain how program funds were used, if you have not already done so.)
