#### SEMI-ANNUAL PROGRESS REPORT FOR

#### **Technical Assistance Program**

**Brief Instructions:** This form must be completed for each Technical Assistance (TA) Cooperative Agreement award received. The TA Cooperative Agreement administrator or coordinator must ensure that the form is completed fully with regard to all Cooperative Agreement activities.

All TA providers should read through each section to determine which questions they must answer based on the activities engaged in under this TA Cooperative Agreement during the current reporting period. Sections B and D of this form must be completed by all TA providers. In section A, subsection A1 must be answered by all TA providers. In subsection A2 and section C, TA providers must answer an initial question in each subsection about whether they engaged in certain activities during the current reporting period. If the response is yes, then the TA provider must complete that subsection. If the response is no, the rest of that subsection is skipped.

For example, if you only provided technical assistance with staff funded under this cooperative agreement during the current reporting period, you would complete sections A, B, C2, and D (and answer 'no' in C1 and C3).

The activities of volunteers or interns may be reported if they are coordinated or supervised by TA Cooperative Agreement-funded staff or if TA Cooperative Agreement funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered
