SEMI-ANNUAL PROGRESS REPORT FOR

Grants to State Sexual Assault and Domestic Violence Coalitions Program

Brief Instructions: This form must be completed for each Grants to State Sexual Assault and Domestic Violence Coalitions Program (State Coalitions Program) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant activities.

All grantees should read through each section to determine which questions they must answer based on the activities engaged in under this grant during the current reporting period. Sections B and D of this form must be completed by all grantees. In section A, subsection A1 must be answered by all grantees. In subsection A2 and section C, grantees must answer an initial question in each subsection about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that subsection. If the response is no, the rest of that subsection is skipped.

For example, (1) if you only provided training and technical assistance with staff funded under this grant during the current reporting period, you would complete sections A, B, C1, C5, and D (and answer 'no' in C2-C4 and C6-C8); or, (2) if you provided training and technical assistance with staff funded under this grant and grant-funded staff developed products during the current reporting period, you would complete sections A, B, C1, C3, C5, and D (and answer 'no' in C2, C4, C6-C8).

The activities of volunteers or interns should be reported if they were coordinated or supervised by State Coalitions Program-funded staff or if State Coalitions Program funds substantially supported their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples illustrating how questions should be answered.
