**SEMI-ANNUAL PROGRESS REPORT FOR**

**Grants to Support Families in the Justice System**

**Brief Instructions:** This form must be completed for each Grants to Support Families in the Justice System Program (Justice for Families Program) grant received. A grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

Following are some guidelines regarding which sections of the form must be completed by Justice for Families Program grantees:

- All grantees must complete sections B and G and subsections A1 and C3.
- In sections D, E, F, and subsections A2, C1, C2, C4, C5, and C6, grantees must answer an initial question in each section or subsection about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that subsection. If the response is no, the rest of the subsection is skipped.

For example,

1. If you are a court and used funds to establish a specialized civil protection order docket and to provide training to your court staff, you will complete sections A, B, C1, C3, D2, D4, D8, and G.
2. If you are a supervised visitation/exchange center providing services to families with staff funded under this grant, you would complete sections A, B, C3, E, and G.
3. If you are a legal services organization providing legal services with staff funded under this grant, you would complete sections A, B, C3, F (*including questions 70-73 Legal Services*), and G.

The activities of volunteers or interns should be reported if they were coordinated or supervised by Justice for Families Program-funded staff or if Justice for Families Program funds substantially supported their activities.

For further information on filling out this form, refer to the separate instructions, which contain detailed definitions and examples illustrating how questions should be answered.

Also report the number of offenders/respondents whose victims/survivors you had contact with regarding compliance with court-ordered conditions, as well as the total contacts. For example, out of a total caseload of 150, a probation officer has meetings/contacts with 100 of those offenders during the reporting period. Multiplying those offenders by the number meetings/contacts the officer had with each offender, the total contacts amount to 900. The number of offenders reported as having face-to-face meetings would be 100 and the number of total face-to-face contacts would be 900.)

## VICTIM SERVICES/LEGAL SERVICES

### Were your Justice for Families Program funds used to provide victim services and/or legal services to victims/survivors during the current reporting period?

Check yes if your Justice for Families Program-funded staff provided these services to victims/survivors, or if Justice for Families Program funds were used to support these services during the current reporting period.

- ☐ Yes—answer questions 62-74  
☐ No—skip to section G

### 62. Number of victims/survivors served, partially served, and victims/survivors seeking services who were not served

*Please do not answer this question without referring to the separate instructions for further explanation and examples of how to distinguish among these categories.*

*(Report the following to the best of your ability, as an unduplicated count for each category during the current reporting period. This means that each victim/survivor who was seeking or who received services during the current reporting period should be counted only once in that reporting period, based on the victim/survivor's presenting victimization, meaning the victimization for which services were first requested. For purposes of this question, **victims/survivors** are those against whom the sexual assault, domestic violence/dating violence, stalking and/or child sexual abuse was directed. If the victim/survivor experienced more than one victimization, that person should be counted only once for the presenting victimization. Do not report secondary victims/survivors here.)*

**63. Number of new victims/survivors served and partially served during the current reporting period**

(For each victim/survivor reported in 62A and 62B, report the number of victims/survivors who began receiving Justice for Families Program-funded services during the current reporting period. If this is your first time using Justice for Families Program funds to provide victim services, then all victims/survivors in 62A and 62B should be reported as new. If the victim/survivor has been counted as served or partially served in a previous reporting period do not include them here, even if the victim/survivor sought services for a new victimization. For example, if you provided services to a domestic violence victim during the previous reporting period, and that victim returned during the current reporting period after being sexually assaulted, you would not report them in this question, and instead would report the additional victimization in question 64.)

Report a victim/survivor under each additional victimization in the row that corresponds to the victimization you reported that victim/survivor under in question 62A and 62B. Report a victim/survivor only once under each additional victimization.)

**Trafficking** is defined as sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age; and/or the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

### All grantees must answer questions 76 and 77 on an annual basis. Submit this information on the January to June reporting form only.

*(Consider geographic region, underserved populations, service delivery systems, types of legal issues, and challenges and barriers unique to your court, your state, or your service area.)*

#### 77. What has Justice for Families Program funding allowed you to do that you could not do prior to receiving this funding?

*(For example, funding has enabled your Justice for Families Program-funded court to exchange case information between criminal, civil, and family divisions of your courts in cases involving domestic violence, resulting in fewer conflicting orders, and improved victim safety and offender accountability; it has contributed to fewer continuances, a reduction in the number of hearings to reach resolution of family matters, or in fewer motions for contempt and motions to modify court orders in cases involving domestic violence.)*
