SEMI-ANNUAL PROGRESS REPORT FOR

Engaging Men and Youth in Preventing Sexual Assault, Domestic Violence, Dating Violence, and Stalking Grant Program

Brief Instructions: This form must be completed for each Engaging Men and Youth in Preventing Sexual Assault, Domestic Violence, Dating Violence, and Stalking Grant Program (Engaging Men and Youth Program) grant received. A grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators or coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

Following are some guidelines and examples regarding sections of this form that must be completed by Engaging Men and Youth Program grantees:

- All grantees must complete the following: Subsection A1, Section B, Subsection C6, and Section D.
- In subsections A2, C1-C5, C7, and C8 grantees must answer an initial question about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that subsection. If the response is no, the rest of that subsection is skipped.

For example,

- 1) If you are in the planning phase, you should complete A1, A2, B, C1, C6, and D.
- 2) If you are providing education programming with staff or volunteers and distributing manuals that you developed under this grant, you should complete A1, A2, B, C4, C5, C6, C8, and D.
- 3) If you are providing training with staff funded under this grant, you should complete A1, A2, B, C2, C6, and D.

The activities of volunteers or interns should be reported if they were coordinated or supervised by Engaging Men and Youth Program-funded staff or if Engaging Men and Youth Program funds substantially supported their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples illustrating how questions should be answered.
